February 5, 2010

Dear Friends,

We write today with prayers that this finds you all well and that God's blessings are flowing to you daily.

Since our Christmas Outreach we have been steadily moving forward. Even though finances have been tight for us all; we are determined to see the work of the Kingdom go forward. Heather and Holly have a great group of children they minister to each Sunday morning. Wednesday nights we are blessed to have some great discipleship teachings thanks to many of you who send funds to help us purchase much needed resources. Sunday mornings are power filled with the presence of the Lord through worship being led by Janell Ruda and Heather. We are seeing souls come into HIS Kingdom for which is our purpose of being here among our Native Communities.

We are now **"GEARING UP"** for our "third **Annual Day In The Park**" to be held Saturday July 17th, 2010. We are confident the Lord will meet all our financial needs to make this another great year of Evangelizing in our Native communities. **IF you would like to contribute financially to this endeavor we would be most appreciative. We will need to purchase hot dogs, buns, all the "fixings" water, ice, snow cone syrup, candy, (all to serve at least 800 people) as well as materials for work projects.**

Due to this economic recession, our work funds have been 'greatly' affected. **MANY** of those who have been supporters over the years of our Missions assignment have had to reduce or suspend their giving. This has required us to cut back in many areas in order to be 'good stewards' of what God provides. **We NEED** your prayers in this area and we ask that you **PRAYERFULLY** consider adding us to your Missions Budget if you haven't already. **AND** we thank those of you who have **FAITHFULLY AND STEADFASTLY** continued to send monthly support. We pray the Lord will **MORE** than abundantly **BLESS** you as you give and plant in good soil which will bring in a great harvest.

To God be the Glory for **ALL HE HAS AND CONTINUES TO DO HERE IN "INDIAN COUNTRY" AND AROUND THE WORLD.**

Sincerely,

*Tim & Elaine Harris*
